<p>What one thing could we do better?</p> <p>Letting parents know about date and times of events                  Ensure toilets are checked through the day                  Better communication, especially for working parents                  Address teachers using their surname                  Increased digital communication, text messages also for positive messages</p>	<p>More regular parent consultations                  Nothing                  To make sure pupils don't use bad words</p>
