NEWSLETTER

Main Entrance Reception Doors

The reception front doors are automatic, please DO NOT pull them as the mechanism gets interrupted! To keep your children safe we are following the procedure of opening one door first before the second door. Thank you for your patience.

Internet Safety

Last week the pupils from Reception to Year 2 made posters about how to keep safe on the Internet. The class winner will be announced in Assembly later this week. However, some children shared information that they play Grand Theft Auto (not suitable for children under 18) and Fortnite(not suitable for children under 12). Please check what programmes your child is accessing especially on You Tube – **You Tube Kids** is well worth using. On Friday 1st March we have a workshop for parents to help you keep your children safe on the Internet so please try and come along. (More information to follow.)

Year 2 Swimming

Thank you to the Year 2 parents who attended the swimming information meeting last week. Our first swimming session is on Thursday 28th February at Edmonton Swimming Pool. Everyone should have had a letter reminding you of the correct equipment needed. If you need further information please speak to the class team or myself. Staff will be in the water with the children.

We have had a very busy term and the children have enjoyed the visitors and trips we have had at school. Have a relaxing half term and **KEEP READING!**
