Issue: Summer 2
Friday 10th May 2019

Hello from Sian

What a busy week it has been! Year 2 have been busy taking their SATs - we are so proud of how hard they have worked. They have also been resilient learners in swimming and have become so confident. Nursery invited parents in for a Story Café and shared stories together which was a joy to see. We have also had visitors from other schools and they have all been so impressed with our learning environment and the children's conscientious learning behaviours.

FOTSA NEWS

Our Summer Fair will be held on Saturday 22nd June. If you would like to volunteer, please email us at fotsa.N13@gmail.com or leave your details with the office.

A big part of our fundraising comes from raffle donations and adverts in the fair programme from local companies. If you know of any local companies that would be interested in advertising or donating something to the fair please put them in touch with us.

The date of the fair will be again advertised on Castles Estate Agent boards, and for every board the schools get £10. If you had a board up for the FOTSA quiz night, thank you, you helped us raise £700! Those who signed up for the quiz will receive one again before the fair. If you didn't sign up before and would like to this time please leave your name with the office or email us.

WE WILL BE CLOSED ON THURSDAY 23RD MAY FOR THE EUROPEAN ELECTIONS AS WE ARE A DESIGNATED POLLING STATION. School will be open again on Friday 24th May at 8.45am.

This week the attendance bees go to...

Dragonflies 94%
Koalas 96%
Seals 96%

Please remember that term time holidays are **not authorised**, and you may be liable to incur a Penalty Notice issued by the Local Authority of **£120 per child per parent.**

Throughout the year we have been learning values using our puppets. The children have met Connie Confidence, Pete Persistence, and Oscar Organisation. This half term we are focussing on being a good friend using the puppet Gabby Get Along. Getting along means that children work and play nicely together. It means that children tell the truth, care about, and are friendly to others.

Science Fair

Make it fly!

"This is my best day ever!"

Four of our Year 2 pupils attended a Science Fair at Hazelwood Primary School. Arianna, Amelia, Sam, and Jack, demonstrated their science investigation, 'Make it Fly' to other children and teachers from all around the borough. They had a wonderful time and confidently shared their discoveries and findings about how to make a paper aeroplane that would travel the furthest distance.

THINK BEFORE YOU PARK
BE CONSIDERATE TO OUR NEIGHBOURS
YOU COULD ENDANGER A CHILD'S LIFE

Please do not park on the pavements when dropping your child at school or on the yellow zig-zags outside school.

SUMMER FAIR

Saturday

22nd June

12-3pm

Nursery held yet another very successful Story Café. Both the children and parents thoroughly enjoyed it. Here is what they said...

It's nice to see that all the children take part in Nursery activities, especially my child as he is quite a shy boy. Big thanks to the teachers. Good job.

Very friendly and active. All the children get attention from the teachers. It's great!

Very nice time and a lot of activities.
