

Le Club Français

Learn French the fun way

We are pleased to invite your child to join our **after-school French club** at your child's school.

Le Club Français offers a structured, fun and interactive language course for primary school children. Organised within small club sessions, children learn through verbal and physical participation. French is taught in an engaging and informal way, and children are introduced to the language and culture of France through lively games, with a wide variety of action songs, drama activities and occasional craft and simple cookery activities.

Our teachers are experienced, trained linguists, and the children easily acquire vocabulary and a good accent by taking part in our enjoyable activities. Children are given a drink and snack that they ask for in French, and in our after-school clubs, we include regular special events such as French food tasting sessions.

We look forward to welcoming your child to Le Club Français.
