Dear Parents and Carers,

My name is Nina Dean and I am the SENDCo (Special Educational Needs Coordinator) at Tottenhall Infant School. My role is to coordinate the support for pupils at our school with Special Educational Needs.

If your child is due to start with us this September and they have additional needs or if you have any concerns, please contact us as soon as possible so that we can work together to support your child with their transition into our school.

If you would like more information about how we support children at Tottenhall please see the SEND area on our website:

Kind regards,

Nina Dean
