

## Annex 2c: Pupil premium strategy statement (Infants)

1. Summary information					
<b>School</b>	Tottenham Infant School				
<b>Academic Year</b>	2019/20	<b>Total PP budget</b>	£59400	<b>Date of most recent PP Review</b>	Sept 2019
<b>Total number of pupils</b>	302	<b>Number of pupils eligible for PP</b>	EYFS-To be confirmed KS1-29 (17%)	<b>Date for next internal review of this strategy</b>	Jan 2020

Pupil premium pupils for 2019 to 2020 will include pupils recorded in the April 2019 census who are known to have been eligible for free school meals (FSM). The Pupil Premium grant is additional funding given to schools to address current underlying inequalities between children eligible for (FSM) and their wealthier peers by ensuring that funding reaches children that need it the most. It is for schools to decide how the additional funding is spent and they are held accountable for this and must publish spending and its impact on the school's website. Local authorities are responsible for looked after children (LAC) and make payments to schools where an eligible LAC is on roll.

At Tottenham Infants School we ensure that all teachers are aware of and accountable for their pupil premium children. Rigorous monitoring and tracking of these children's progress allows us to provide suitable interventions and opportunities that best match the needs of the individual child.

### Impact of pupil Premium Funding

Pupil premium funding is used to support the following priorities:

- To ensure that pupils continue to make substantial and sustained progress
- To continue improving standards of achievement in English and Maths, including diminishing the gap in achievement between groups
- To ensure that teaching and learning is at least good or outstanding
- To provide a stimulating and engaging Creative Curriculum that allows opportunities to transfer skills across other curriculum areas

### Interventions

All children eligible for Pupil Premium Funding receive at least one intervention each week, have targeted support in class or have access to a free breakfast club and a subsidised after school club and trips.

- Guided reading sessions DSR (daily supported reading) – Year 1
- Tiger Team – gross motor skill development for concentration and improvement of fine motor skills

- Wake and Shake – early morning intervention
- Additional staff supporting the needs of individuals/groups or in-class support, booster groups
- Reading intervention – volunteer helpers – focused children who are not listened to regularly at home – Year 1 and Year 2
- Lunch time club – Reception, Year 1 and Year 2
- Family support – attendance
- 

**Impact of Interventions for the academic year 2018 – 2019**

Pupil progress meetings are held termly to review interventions and their impact to identifying gaps in their learning. Interventions are monitored to ensure gaps in learning are reduced and interventions adapted or changed when appropriate. Pupil progress meetings ensure that provision is planned and delivered to accelerate children’s learning and allow us to narrow the attainment gap.

Our school ethos is to support all children to experience all opportunities open to them regardless of their background.

<b>4. Barriers to future attainment (for pupils eligible for PP)</b>	
<b>In-school barriers</b> ( <i>issues to be addressed in school, such as poor oral language skills</i> )	
<b>A.</b>	PP do not make expected progress because of their very low starting point in Nursery/Reception
<b>B.</b>	Low levels on entry of PP pupils particularly in communication & understanding, literacy and language
<b>C.</b>	Some Year 1 pupils still on the EYFS curriculum in the Autumn term
<b>D.</b>	Pupils entering school with limited English/no English (81% EAL pupils)
<b>External barriers</b> ( <i>issues which also require action outside school, such as low attendance rates</i> )	
<b>E.</b>	Some home learning environments lack support for pupils' communication and literacy skills e.g. limited reading at home
<b>F.</b>	The rate of mobility of different mobile groups places additional challenge and different demands on the school
<b>G.</b>	Parental engagement with the school (home learning/homework in place)
<b>H.</b>	Persistent absence, extended absence, late arrival at beginning of term

<b>5. Desired outcomes</b> ( <i>Desired outcomes and how they will be measured</i> )		<b>Success criteria</b>
<b>A.</b>	Improve reading skills for PP pupils – DSR, phonic groups	Outcomes for PP pupils in line with all pupils
<b>B.</b>	Accelerate progress of all PP pupils – increased attendance	Achieve expected age related outcomes, (95% attendance)
<b>C.</b>	Increase parental engagement to develop confidence to support pupils	Higher attendance to workshops – evaluations/questionnaires
<b>D.</b>	Improve language skills of pupils eligible for PP	Outcomes for PP pupils at least in line with all pupils
