Hello from Sian

A belated welcome back! The pupils have settled back well into school after their break. I hope you were able to attend the curriculum meetings with the class teachers to find out about this term's learning. If not the information will be uploaded to our website soon -

www.tottenham.enfield.sch.uk

As you know we have an "open door" policy at Tottenham and value the partnership we have with our school community. However, we have had several incidents of verbal abuse by parents towards staff. Please note this will not be tolerated by myself or the Governors and I have the right to ban individuals from school premises if this continues. Please remember this is upsetting for everyone involved especially the child. We have a Code of Conduct for parents, carers and visitors on our school website for your reference.

Year 2 Swimming meeting

Swimming for year 2 will begin next half term. There will be a very important meeting which parents will need to attend

This half term we are working on being persistent with the help of Pete Persistence! Children who are persistent keep on trying when things seem hard or are not fun to do.

Curriculum Meetings

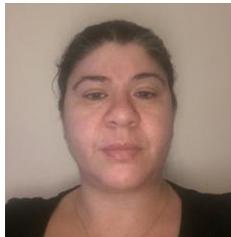

Thank you to those parents who attended the Curriculum meetings - we hope they were useful.

The slides and information are now on the school website.

Alexia Ioannou Parent Governor

I have been a parent governor for about 2 years now and I think Tottenham is a brilliant school which is very nurturing. I have a child in year 2 and a child who has just started in nursery. I have lived in Palmers Green all my life I also attended this school when I was a child; it has changed so much for the better since then! I am at the school in the morning and afternoon if anyone wants to say hello and I speak Greek also.

Local Authority Review

We were very pleased with the feedback from the most recent Local Authority review last week which concluded that;

"The school has made significant progress in addressing the recommendations made by Ofsted during the previous inspection and are clear about what they need to do to continue to move forward. Work is well underway in further developing the curriculum, with the involvement of the curriculum and middle leaders. Leaders' and teachers' expectations of children remain high."

Your feedback would be very helpful. Please complete the online questionnaire that can be found by searching for "Ofsted Parent View."
