

Thursday 19<sup>th</sup> March 2020

Dear Parents/Carers,

As of Monday 23<sup>rd</sup> March 2020 Tottenham Infant School will be closed until further notice following Government Guidance. We will keep you informed of any new information the school receives from the Government. Our main form of communication will be text messaging. If you need to update any contact details please do this as a matter of urgency before school closes on Friday 20<sup>th</sup> March 2020.

We recognise that closing schools will put additional strain on families especially those who rely on elderly relatives for childcare. Following Government guidance vulnerable children and children of key workers will be entitled to childcare. Presently we are liaising with the Local Authority to establish what the set up for this provision will be. We have already contacted parents of vulnerable children who have confirmed if they would like childcare. Those of you who are keyworkers please inform the school by 10am on Friday 20<sup>th</sup> March.

We are also contacting parents of pupils who are eligible for a free school meal. For those of you who have accepted we will confirm further arrangements and details on Friday 20<sup>th</sup> March.

If your child has an inhaler or medicines in the school you **MUST** collect these before the school closes on Friday 20<sup>th</sup> March 2020.

We also realise that these arrangements may change if we are in total lockdown but this is not the case currently so we will continue with planning this provision.

Once again we would like to thank you for your support and good wishes during these very challenging times for everyone.

Yours Sincerely

Sian Mainwaring
