

Monday 23rd March 2020

Dear Parents/Carers,

We are providing emergency childcare as part of the Government's wider measures to limit the spread of Covid 19. To be clear this is not a financial support measure to enable some people to work. This is a public health emergency measure, to ensure those that are needed by all of us can get to work without worrying about their children.

The Government has also been clear and asked parents to keep their children at home, wherever possible, and asked schools to remain open only for those children who absolutely need to attend.

In order for the school to function safely on a limited basis I cannot stress the importance of the word 'need' enough. If we are going to sustain emergency childcare provision at school for parents that are genuinely key workers, then I must ask all of you to consider carefully your 'need' and the greater social responsibilities that we all have at this time. If there is anyone in the home who can safely look after your child, they should be kept at home.

Thank you for your consideration and continued support.

Yours Sincerely

Sian Mainwaring
Headteacher
