Dear Parent/Carer

**Re: School Hearing Screening for children in reception**

Your child's hearing screening was supposed to take place in their school during academic year 2019/2020. Unfortunately, due to the Covid-19 pandemic and school closures, we are unable to continue providing this routine test at present.

Paediatric Audiology services have been temporarily suspended in accordance with the Government guidelines. Once services resume and schools reopen, we will continue with school hearing screening. Please keep in mind that there will be a back log of children to be seen and therefore this service may take place during the next academic year.

If you have any urgent concerns, please contact your GP. Thank you for your understanding in this matter.

Yours faithfully,

Paediatric Audiology School Screening Team

Whittington Health NHS Trust

Chair: Baroness Julia Neuberger

Chief Executive: Siobhan Harrington
