

Pupil Premium

Supporting our pupils

Our key objective in using the Pupil Premium Grant is to diminish the differences between pupil groups. As a school we consistently track all groups of pupils to ensure that they make good or better progress. Through targeted interventions we are working to eliminate barriers to learning and progress.

For new entrants that start with low attainment on entry, our aim is to ensure that they make accelerated progress in order to reach age related expectations as they move through the school. Once at age related expectations we always continue to extend that learning further to ensure that they reach higher levels of attainment. Our FSM pupils do well in our school showing the positive impact of the additional funding.

Funding has been ring fenced and used to benefit all pupil premium pupils. We ensure that we track PP pupil's achievements and that all staff know which pupils need additional support to either support or extend their learning. We also identify most able PP pupils.

This has meant making informed decisions about spending such as:

- Ensuring that spending is directly linked to differences in achievement
- Making use of our own data to set interventions
- Making sure there is at least good teaching daily
