

## CRACKING COMPREHENSION

This year we are going to continue to use 'Cracking Comprehension' in Key Stage One to help children improve their reading and comprehension skills.

*Cracking Comprehension Practise and Assess* is an easy-to-use and effective resource to help children practise and improve their reading comprehension skills across a range of text types and genres.

*Cracking Comprehension Practise and Assess* features a huge range of text extracts covering fiction, non-fiction, poetry including texts from some of the most popular children's authors. The questions linked to each extract cover essential comprehension skills that are part of the National Curriculum for English.

Year 2 pupils will now have access to the year 2 texts. We have assigned some texts for your child to get started. More texts will be added in the spring and summer term. If your child has a problem logging on then please speak to the class teacher.

Website Address: <https://my.risingstars-uk.com>

Centre ID: 198876

Log-in details can be found at the back of your child's home learning journal.
