Issue: Summer 2
Friday 28th May

Hello from Sian

As we come to the end of this half term it has been great to see the pupils making so much progress and enjoying their learning. I would like to thank the whole staff team for the incredible support they have given your children in every aspect of school life.

This week we have reviewed the Risk Assessment for after half term and amended some of the current arrangements as the lockdown restrictions have changed. Instead of class bubbles we will have year group bubbles. This will enable us to have year group assemblies. Each year group bubble from Reception to Year 2 will now have lunch in the Large Hall.

Lunchtimes are as below, one hour per year group:

	Lunch in large hall	Lunchtime play
Reception	11.30	12.00
Year 1	12.00	12.30
Year 2	12.30	1.00

Year 1 and Year 2 will have year group playtimes. Additional cleaning will still be in place so communal areas are effectively cleaned throughout the day.

As our school community is so large and while there are variants in London and other parts of the country, we would still like parents to wear masks in school (unless exempt) to drop off and collect your child. We will review this after June 21st. Some of our families have needed to visit sick relatives in Europe. When you return from an amber rated country please follow the Government guidance on self-isolation.

Have a lovely half term break and hopefully we will come back to some sunshine on
Monday 7th June.

Jobs in the Community

We are looking for volunteers to come into school to talk about their occupation. For example; dentist, nurse, doctor, police officer, fire fighter, refuse collector, hair dresser. If you are interested, please contact the office.

Class Photos Reminder

Thursday 10th June 2021

Children need to come to school in full school uniform

Early Years are working on improving the outdoor classroom and have been approaching companies to see if they would be willing to donate items to help. Nicola asked Morrisons in Palmers Green and the Manager Sanjay was very generous and donated £100 worth of resources. Nicola chose some railway sleepers to create a digging area and two lovely plant pots.

Thank you, Morrisons!

A huge thank you to our Parent Governor, Alexia, for donating 3 bags of stationary and craft materials

THANK YOU!

Donations are greatly Appreciated!

If you would like to make a donation or know a company who would be willing to donate, please contact the office. Nursery and Reception welcome donations for messy play all year round. If you would like to donate, we need flour, salt, vegetable oil, shaving foam, cornflour and hair gel. There is a donation box in the Reception outdoor classroom.

Congratulations to our newly appointed Eco Councillors. They met last week with Christina and discussed ways to improve our school. Some ideas were to use buckets to collect water when it's raining to water the plants, way to use less paper, and to turn lights off when we leave the classroom. They will meet again after half term.

Year 1 Weather Workshop

Year 1 took part in a Weather Workshop learning about different weather around the world.

The children really enjoyed their time at Movie Night. We raised £563 for the school which will be spent on playtime equipment.

The Great Fire of London

Year 2 have been learning about The Great Fire of London. They were lucky enough to see this recreated on a very small scale by Sian. This helped the children produce some fantastic newspaper reports about the historical event.

We took part in a competition run by Royal Mail. For more than 50 years Royal Mail's Special Stamp programme has commemorated British history and achievement. Since the coronavirus pandemic began, there have been many people who have done great things. Many of them are not famous, but they have done extraordinary work. These are the people who have helped us all through a really difficult time. Some are frontline workers in healthcare, others look after elderly or vulnerable people. We think that what these people have done makes them heroes, so Royal Mail wants to honour them by producing a set of eight stamps.

More information can be found here:

<https://www.stampcompetition.ichild.co.uk/>

Here are some of our entries which are displayed in school.

Members of Enfield's Youth Parliament and the Young mayor worked on a short film to destigmatize mental health issues and to recognise the differing impact of the Covid-19 pandemic on young people. They also share five ways to wellbeing.

'How Are You' can be viewed via the link below and was launched as part of **Mental Health Awareness Week**.

It was led and delivered by the young people of Enfield in partnership with Enfield's Council's Corporate Strategy Service and the Educational Psychology Service. The Voice Parent/Carer Forum also supported this initiative.

The school lunch menu is available on the school website at <https://www.tottenham.enfield.sch.uk/school-meals/>

Please note children need to make a choice between school lunch or packed lunch from home at the beginning of the half term and cannot change until the following half term. This is to ensure we have enough lunches for all children and there is not excess food wastage.

Please let the school office know by Monday 7th June if you would like to change your current choice.

There was an occurrence of dangerous parking outside the school today. If this continues it will be reported to the police and the local authority.

Message from Colette, Attendance Officer

What a total joy it has been to welcome you all into school this year, especially since our return following lockdown on 8th March.

I do have an important and serious request for you all please. After half term we have just seven weeks left; Monday 7th June to our last day of term on Thursday 22nd July. I need to please ask that all our students aim for 100% attendance.

I am particularly making this request as of recent weeks I have noticed a big decline in attendance in school. In our first week back after lock down it was a wonderful 97% but just this last week we have fallen below the minimum expected level of 95%.

I hope you have the most wonderful half term, and the children get an opportunity to enjoy fresh air, nature, play, learn new skills, and rest.

Event	Date	Year Group
Class Photographs	Thursday 10th June	Whole School
Rock Steady Concert	Tuesday 29th June	
Year 1 Sports Day	Tuesday 29th June	Year 1
Nursery Sports Day	Thursday 1st July	Nursery
Year 2 Sports Day	Tuesday 6th July	Year 2
Reports Out	Wednesday 7th July	Whole School
Reception Sports Day	Thursday 8th July	Reception
Reception trip to the park	Tuesday 13th July	Reception
Year 1 trip to the park	Wednesday 14th July	Year 1
Open Evening	Wednesday 14th July	Whole School
Year 2 trip to the park	Thursday 15th July	Year 2
Cake Sale	Thursday 15th July	Whole School
Party in the Playground	Tuesday 20th July	Whole School

Enjoy half term and we will see you on Monday 7th June 2021

Use this handy holiday
countdown to tick off the
days until school starts again!

Next week school is closed for Half Term. ✓
