

Friday 19<sup>th</sup> November, 2021

Dear Parents/Carers,

The children have already started rehearsing for their Christmas performances and are looking forwards to presenting them to parents and carers.

There will be a number of performances for each year group and you will be allocated a specific day and time to watch your child's performance. It is important that you only attend on the date and time you have been given. This is to ensure we do not have any crowding in the hall and can keep everyone socially distanced and safe. It is compulsory for you to wear a mask in the school building.

Each child will be allocated 2 places and this will be monitored on arrival.

You will receive a text tomorrow morning confirming your allocated date and time.

You will not be allowed to record or take photographs of the performances. However, there will be an opportunity for you to take a photograph of your child at the end.

**Please see below dates for additional Christmas Events.**
