

Dear Parent/Carer,

As you know we use an online system in school to document what your child is doing – an online 'Learning Journey' called Evidence Me.

As you will know from our last coffee morning there is a 'Parent Share' feature which enables you to view your child's observations (photos and videos).

We think these will really brighten up your day!

You can send us your comments and feedback by adding them to the observations and you can also take an active role in contributing to your child's observation portfolio by uploading your own observations, by adding them to the app.

You will receive an email in the next few days from donotreply@evidence.me asking you to confirm that you would like to have access. Make sure you check your spam/junk inbox as sometimes emails can get lost in there.

If you have any questions or need any additional information, please contact your class teacher or myself.

Kind regards,

Shardi Vaziri
Assistant Head and EYFS Lead
